

POMERANIAN STAR \$PMS

WHITEPAPER

**POMERANIAN
STAR**

DISCLAIMER

Pomeranian Star including but not limited to the overall project, the token, website, smart contracts and any apps ("POMERANIAN STAR") as presented in this conceptual paper is not an licensed, unlicensed or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this Whitepaper, on the Website or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. Pomeranian Star is a fully and completely decentralized and community driven project and does not have owners, shareholders, promoters, marketers, managers, directors or other figures or entities exerting any form of governance; the POMERANIAN STAR smart contracts are open-source, security audited, permanent and non-modifiable in any way. The PMS token is a strictly utility token in any jurisdiction and is not and can not be considered as a security or otherwise a regulated token of any kind, is not in any way e-money and/or a fiat or asset backed stablecoin, whether global or limited in scope. This Whitepaper taken by itself is not a contract or a contractual agreement of any kind, is not an invitation, solicitation or offer to invest in POMERANIAN STAR or acquire or use its PMS tokens in any way and with any expectation of profit in any form. Any user of POMERANIAN STAR declares to have received appropriate technical, administrative, regulatory and legal advice before and after accessing and/or reading this Whitepaper, the website and using any portion or element of POMERANIAN STAR (including any PMS token therein) and accepts that there is an inherent high risk in accessing, acquiring or using any kind of blockchain and/or crypto system, token, platform, software, interface including POMERANIAN STAR and further acknowledges with full disclaimer for any community member directly or indirectly involved with POM STAR, that there can be any kind of damage suffered, including total loss.

POMERANIAN
STAR

ABOUT

PMS Token never gives a price guarantee. The community determines the prices as PMS tokens will be managed by the community!

Different tokens will be airdropped to you constantly with PMS Token launchpad partners.

It is a community project to homeless people and stray animals.

The PMS Token will be completely under the control of investors and will be absolutely free of price manipulation. The team will never do price killing and will receive their locked tokens after the committee.

Private sale tokens will only be in holders' wallets for NFT and have no monetary value.

INTRODUCTION

Pomeranian Star is a decentralized community focused meme token which was created on BSC Network.

The purpose of Pomeranian Star Token is to be a token that can be used globally with a vision to see it on most exchange platforms.

Our dedicated team will continuously negotiate with all exchange platforms and other business partners in order to benefit our loyal customers.

Our previous investors who hold private sale tokens in their wallets will be distributed PMS tokens and then quoted on exchanges.
